PROFESSIONAL SUMMARY

3rd-year ECE undergraduate with self-taught expertise in Machine Learning, data preprocessing, and API development. **1st Rank winner in SIH Internal Hackathon**, Top-15 finalist among 200+ teams, and **actively competing in hackathons**. Experienced in data cleaning, ML models, and core **Deep Learning & Computer Vision**. Seeking an AI/ML Engineering Internship to build practical, production-ready systems.

EDUCATION

- **B.Tech in Electronics & Communication Engineering (ECE)**

Heritage Institute of Technology, Kolkata, India | **3rd Year** | **Expected Graduation: May 2028** | **Overall CGPA : 8.8**

TECHNICAL SKILLS

- **Languages(Programming):** Python, C, SQL
- **AI / Machine Learning:** PyTorch, Computer Vision, Scikit-learn, Data Preprocessing, Feature Engineering
- **Data Analysis & Visualization:** Pandas, NumPy, Matplotlib, Seaborn
- **Backend & Web:** Postman, FastAPI
- **Databases & Tools:** PostgreSQL, GitHub
- **Languages (Spoken):** English (Fluent), Hindi (Native), Bengali (Basic)

SELECTED PROJECTS

- **AURA — AI for Unified Regional Access** | Python, Vosk, SQLite, PyTorch, MMS-TTS
- Built an offline Hindi-to-Tribal speech translation system integrating ASR, translation retrieval, transliteration, and speech synthesis. - Integrated **82,598+ Hindi–Santali translation pairs** into an indexed SQLite database for efficient retrieval.
- **Deep Learning Image Enhancer** | Python, PyTorch, OpenCV - Developed an AI-based image enhancement tool to restore blurry microscopic images. - Improved image quality and generated 2× higher-resolution outputs.
- **WhatsApp Chat Analyzer** | Python, Pandas, NumPy, Matplotlib, Seaborn, Streamlit - Built a WhatsApp chat analysis tool to extract insights from exported chat data. - Analyzed user activity, message trends, and chat statistics with clear visualizations and an interactive dashboard.

HACKATHONS & ACHIEVEMENTS

- Winner (1st Rank) & Runner-Up – SIH Internal Hackathons (2024, 2025)
- Runner-Up – TCS Hackathon
- Participated 9+ hackathons
